# GCSE Results compared to national figures for 2018-2020 (as an average)

Here at Penwortham Girls' High School, the cohort of 2020 have built on the school's longstanding reputation for exceptional academic outcomes, exceeding every expectation by achieving another stunning set of GCSE results. These students increased the number of Grade 9's achieved from the previous year, with an impressive 85 awarded in total. In fact, a stunning third of all the grades awarded were Grade 7 or higher. Importantly, 89% of students gained a standard pass at Grade 4+ including English and mathematics, with 67% achieving a strong pass at Grade 5+ in English and mathematics.

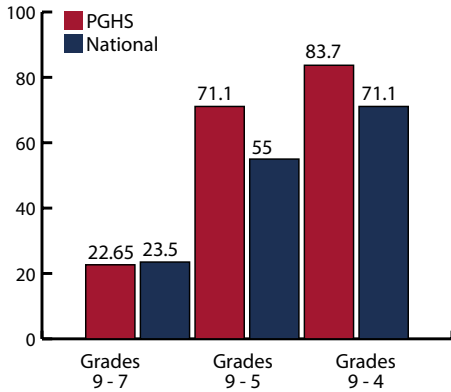

With centre assessed grades replacing GCSE exams this summer, a large number of schools are reporting an increase in their headline figures. As a school, we wanted to take the opportunity to show the average of our results over the last three consecutive years compared to the national average. We are extremely proud that as a school, our girls consistently achieve outstanding outcomes across a range of subjects.

	Grades 9 – 7	National	Grades 9 – 5	National	Grades 9 – 4	National
Art	25.80	24.93	81.90	61.80	95.77	78.77
