Year 11 Globe Theatre Trip

On Saturday 18th September, 45 Year 11 students (along with Mrs Snowdon, Miss Starkie, Mrs McGibbon and Mr Bretherton) travelled down to London for a combined English and History trip. We arrived at The Globe Theatre in time for a guided tour which allowed the girls to expand their knowledge and understanding of Elizabethan theatre, both supporting the historians' case study of The Globe Theatre and enhancing the contextual understanding of *Romeo and Juliet* for all.

The girls were then treated to a phenomenal performance of *Romeo and Juliet* by the RSC. The interpretation was modern and very relevant to the students with a big focus on mental health in young people. The girls emerged from the theatre in awe and with a full appreciation of this Shakespearean tragedy.

After the performance, we made our way along the South bank towards the London Eye. For a couple of hours, the girls got to experience the buzz of street performers, street food, markets and the sights of London. The weather was fabulous and so were the students. All in all, a long day but totally worth it!

School Library

Our wonderful school library is back open this year, stocked up with hundreds of exciting novels, non-fiction books and magazines for our students to explore and enjoy!

We asked our dedicated Year 11 librarian team to recommend a few books from our library collection to other students:

Finding Jennifer Jones by Anne Cassidy

I read this book before lockdown so it was around the beginning of Year 9. I still remember it to this day, it was that great! It's about a girl that seems completely ordinary, goes to university, dates ordinary boys... however, she is far from ordinary.

The Book Thief by Markus Zusak

Set during the Second World War, Liesel, a nine year old girl, is living with a foster family on Himmel Street. Liesel steals books. Follow her story as the bombs begin to fall...

I'll Give You the Sun by Sandy Nelson

A love story gone rogue, with twists of drama and swirls of romance!

A Gentleman's Guide to Vice and Virtue by Mackenzi Lee

This period LGBTQ+ novel shows the ups and downs of living life in an oppressive society.

Tokyo Ghoul (Manga) by Sui Ishida

Exciting story of a man turning into his own fear!

Why not take the opportunity to visit our library next week? Remember, if you borrow a book from the library and write a review, you can earn a stamp on your PGHS Passport to Success!
