Apprenticeships at Leyland Trucks & PACCAR Parts

About Leyland Trucks

Leyland Trucks is the UK's largest commercial vehicle manufacturing business, producing over 16,500 trucks per year from its state-of-the-art facility in Lancashire.

The assembly plant produces all models of the multi-award-winning range DAF trucks - the XG+, XG, XF, XD and LF. The DAF LF is also designed by a team of expert engineers at Leyland Trucks. The impressive range of vehicles ensures DAF has reigned as the UK market leader for the past 27 years.

DAF and Leyland Trucks are at the forefront of technology - driving forward electrification, vehicles and autonomous cutting technology.

There are a huge variety of careers available at Leyland Trucks from assembly operations and design engineering to finance, logistics and Leyland Trucks is owned by purchasing. American company PACCAR Inc, offering global opportunities in a world-class technology business.

PACCAR PARTS

About PACCAR Parts UK

The Leyland PACCAR Parts Distribution Centre (PDC) distributes truck parts to all DAF & TRP dealerships based in the UK and Ireland, as well as offering services to DAF dealerships within the European Union and globally.

The PDC features state-of-the-art distribution processes, award-winning sales and marketing programs and industry-leading quality management.
