Yet again, PGHS students have bucked the national trend and achieved a record set of results. Although national pass rates for the top grades are down this year, our students have set a new school record for the number of grades achieved at 7-9. A phenomenal 40.8% of all grades were 7 or above, including 132 Grade 9s.

As always, we are especially proud of the fact that students of all abilities have achieved well with an impressive 92.9% of all students achieving Grade 4 or above in both English and maths, which equals the school record.

There were some incredible individual achievements too, with Charlotte B achieving a Grade 9 in every subject. Alongside her were another 13 students who achieved 8 or more Grades 7 and above. Equally impressive are the number of students who surpassed all their target grades in every subject: Joudy A; Isabel C; Alexa L; Ruby S.
