Headteacher's Speech 5.10pm, 6.10pm, 6.40pm, 7.40pm

English & Drama

The Library: Come and see how our high challenge curriculum works at KS3. You'll have the opportunity to talk to English specialists about the transition from primary to secondary in English, as well as meeting one of our Year 7 students who will share their experience. You can see some of our students demonstrating our on-line learning platforms and learn about our Duke of Edinburgh approved Reading Leaders Programme from Coram Beanstalk. You can also begin to get to know our staff and their reading habits by exploring the Teacher's Bookshelf and before you go, make sure you have a go at our interactive Countdown game!

Room 41: Speak to English specialists about what those GCSE years look like in English and how it segues with our KS3 Curriculum. Speak to one of our current Year 11 students about her own GCSE journey and be wowed by our Wall of Fame.

Drama Studio: We invite you to experience the magic of theatre firsthand. Join us in the drama studio, where the spotlight is always on creativity and expression. Immerse yourself in the art of storytelling as you try on costumes, engage with our talented drama students, and witness the captivating devising process behind imaginative pieces of drama. Lights, camera, action—it's all here waiting for you to explore.

Creative Arts and Technology Faculty

Art and Design & Photography

Room 52 - Come to Art and see our fantastic Art gallery of work produced by our students here at PGHS.

Room 53 - Come to Art and see our fantastic work on display and our students working on their amazing coursework. Whilst visiting our impressive Art facilities, why not try producing your own one-off original Art print to take away with you as a souvenir of your visit!

Computing

Room 50 - Come and have a look at how Computing is changing, have a go at creating a story using Chatgpt and why not challenge your creative side using software to manipulate images of celebrities. Also see the building and programming of robots. AI is the future!

Design Technology

Room 34 - Come and have a look at the wonderful work produced in the Design and Technology department, you will be able to see how our amazing 3D printer works to create products from scratch, along with other technology advances in use such as sublimation printing and laser cutting.

Food Preparation and Nutrition

Room 23 - Come along to Food Technology and you will be able to select a biscuit made by our GCSE students and decorate your biscuit with a range of coloured icing and sprinkles. Does your biscuit have a professional design that is restaurant worthy?

Geography

Room 39

Meet the Geography Department and find out how we investigate our wonderful planet, from the oceans to the mountain tops, the people and the places. We will be showing you how green screen technology can be used to deliver weather forecast just like they do on the television!

Maths

Room 20

Have a go at our interactive online resources, showing how we use the SMART technology for teaching and learning. See the maths mastery manipulative resources and have a demonstration from our students on how to use them. Have a go with our maths learning games and come and try some origami! There are also examples of students' work and the textbooks which we use to support learning in maths.

History

Room 37

Visit room 37 to go back in time to Blitz-era Britain where you will meet our evacuees sheltering from a bombing raid in our Anderson shelter. You will have the opportunity speak to our teachers and pupils about the history curriculum at PGHS and our exciting extra curricular trips and activities.

Religious Studies & Life Skills

Room 31

Come visit RS and experience religion around the world. Take part in our interactive philosophy station, meet our school Soroptimists, then take away a Mandala pack to relax with at home.

Science

Room 42, 43, 44

Have you ever wondered why oil floats on water? Have you ever seen dancing fire? Have you ever wanted to dissect a heart and see inside a human body? Have you ever wondered what makes fireworks so bright and colourful? Come and join us in Science to get some of your questions answered. There will also be a selection of student work on display.

Modern Foreign Languages

Room 26

Come and experience the world of languages and have fun in our French and German photo booth whilst enjoying our European café. Show your language and artistic skills with our language stone painting, enjoy some French and German board games and interactive whiteboard games and even a little game of French Boules.

Performance, Sport & Health Faculty

Music

Room 15 and Recording Studio

Beat your way to the music room to perform on the keyboard or Ukulele.

Look out for our musicians performing in the Hall before the Head's speech.

Physical Education

Gym

Come along and try our Athletics and Gymnastic based challenges. How high can you jump? How fast can you run? How far can you throw? We can't wait to meet the future sporting stars of PGHS.

Dance (Dance Studio - Room 24)

In our Dance showcase this evening we have students from all years performing Bollywood, Charleston, Contemporary and Cheer routines from their Dance lessons. Come along and enjoy the show!

Learning Support Department, The Haven and Wellbeing Support

Room 25 - An opportunity to meet with the SENDCo and Deputy SENDCo to ask questions about SEND provision at PGHS.

Room 38 - An opportunity to meet our pastoral support team and ask questions about the help we can offer your daughter.

**For Transport and Admission enquiries please go to Room 21.
Refreshments in the dining room and in the Courtyard Cafe.**
